Central Depository Services Limited (CDSL) as specified more fully in the instructions hereunder provided that once the vote on a Resolution is cast, a Member shall not be allowed to change it subsequently.

23. The route map showing directions to reach the venue of the Annual General Meeting is annexed.

24. THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING ARE AS UNDER:

(i) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(ii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GANODAYA FINLEASE LIMITED

Report on the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of **Ganodaya Finlease Limited** ("the Company") which comprises the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaidstandalone Ind AS financial statements give the information required by the Act in the manner so required andgive a true and fair view in conformity with the Ind AS and accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and profit/(loss), total comprehensive income/(loss), the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements

under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our otherethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters. There is no key matter to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other

(35)

information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the standalone Ind AS financial statement

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act,2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the

Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Ind AS financial statement

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

A further description of the auditor's responsibilities for the audit of the standalone Ind AS financial statements is included in Annexure A. This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE - A TO THE AUDITORS REPORT

Responsibilities for Audit of Financial Statement

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a

material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.

- However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably

knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to out weigh the public interest benefits of such communication.

ANNEXURE B TO THE AUDITOR'S REPORT

(Referred to in paragraph 1 of our report of even date)

- i) a)(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipments.
- (B) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no intangible assets held by the company.
- b) Property, Plant and Equipments have been physically verified by the Management at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties disclosed in the financial statement are held in the name of the Company.
- d) The company has not revalued its property, plant and equipment or intangible assets or both during the year.
- e) According to the information and explanations given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under.
- a) The inventory has been physically verified at reasonable interval by the management. In our opinion, the coverage and procedure of such verification is appropriate having regard to the size of the company and nature of its operation. No discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such physical verification of inventories when compared to books of accounts.
- b) The company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets; Accordingly, the said clause is not applicable to the company.
- a)As the Company is a Non- Banking Finance Company (NBFC) holding Certificate of Registration from Reserve Bank of India and having its principal business to give loans and make investments, hence clause iii
 (a) of the Order is not applicable to the Company.
- b) In our opinion, the Company has made investments and given loans during the year. The investments made, interest and other terms and conditions on which the loan given to other parties were prima facie not prejudicial to the interest of the Company. The Company has not provided guarantees or securities during the year.
- c) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the schedule of repayment of principal and interest are not stipulated in respect of loans provided.
- d) Since there is no stipulation on the principal and interest of the loans provided, clause 3(iii)(d) and (e) are not applicable.
- e) In respect of loan granted by the company without specifying any terms or period of repayment, the details are as follows as required in clause 3(iii)(f):

	All Parties	Promoters	Related Parties
Aggregate amount of Loans	-	-	-
-Repayable on demand			
-Without specifying any terms and			
period of repayment	6.54 lacs	-	-
Total	6.54 lacs	-	-
Percentage of loans of the total loans	100	-	-

 iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans, investments, guarantee and security made, where ever applicable.

- v) In our opinion and according to the information and explanations given to us, the Company has not accepted deposits in terms of the provisions of section 73 to 76 of the Companies Act, 2013 and the Rules framed there under and the directives issued by the Reserve Bank of India.
- vi) In our opinion, maintenance of cost records pursuant to the Companies (Cost Records and audit) Rules, 2014 prescribed by the Central Government under Section 148(1) of the Companies Act, 2013 are not applicable to the company during the year under review.
- vii) a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, undisputed statutory dues including provident fund, income-tax, sales tax, value added tax, duty of customs, duty of excise, service tax, Cess, Goods & Service Tax, cess and other material statutory dues, wherever applicable, have been regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of statutory dues were in arrears as at 31 March 2024 for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us, there are no statutory dues that have not been deposited with the appropriate authorities on account of any dispute.
- viii) There are no transactions relating to the previously unrecorded income that were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix) (a) Based on our audit procedure and on the basis of information and explanations given by the management, the Company has not defaulted in repayment of loans or borrowings to any lenders. The Company has not issued any debentures.
 - (b) The company is not declared wilful defaulter by any bank or financial institution or other lender.
 - © In our opinion and according to the information and explanations given to us, the company has not taken any term loans during the year. Therefore, the said clause is not applicable to the company.
 - (d) According to the information and explanations given to us, and on the overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company.
 - (e) According to the information and explanations given to us and on an overall examination of the financial statements of the company, we report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
 - (f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x) (a) To the best of our knowledge and belief and according to the information and explanations given to us, the company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year.
 - (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.
- xi) (a) In our opinion and according to information and explanations given to us, no fraud by the company or on the Company has been noticed or reported during the ear.
 - (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
 - (c) According to the information and explanations given to us, there are no instances of whistle-blower complaints received during the year by the company;

xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi

(41)

company. Accordingly, paragraph 3(xii) of the Order is not applicable.

- xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv) (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business."
 - (b) We have considered Internal Audit Report issued to the company during the year and covering the period up to 31st March 2024 for the period under audit;
- Ixv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him as referred to in section 192 of the Companies Act, 2013.
- xvi) (a) According to the information and explanations given to us and based on our examination of the records of the Company, the company is required to be registered under section 45IA of the Reserve Bank of India Act, 1934 and has obtained the registration.
 - (b) The Company has not conducted any Non- Banking Financial or Housing Finance activities without a valid certificate of registration (CoR) from The Reserve Bank of India as per Reserve Bank of India Act, 1934.

Annexure - C to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **GANODAYA FINLEASE LIMITED ("the Company")** as of 31 March 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and

dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements for the year ended 31st March, 2024

NOTE - 1

CORPORATE INFORMATION

Ganodaya Finlease Limited ('the Company") is registered as Non-Banking Financial Company under Section 45-IA of the Reserve Bank of India Act, 1934. The company is primarily engaged in the business of Investment in Mutual Funds and shares. The Company is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act, 2013. Its shares are listed in a recognised stock exchanges in India. The registered office of the company is located in 402, Mangalam, 24/26, Hemanta Basu Sarani, Kolkata - 700001.

SIGNIFICANT ACCOUNTING POLICIES

a) Statement of Compliance

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013, (the 'Act') and other relevant provisions of the Act with effect from 1st April, 2018.

Upto the year ended 31st March, 2018, the financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP), which includes accounting standards notified under Rule 7 of the Companies (Accounts) Rules, 2014. The date of transition to Ind AS is 1st April, 2018.

b) Basis of Preparation of Financial Statements

These financial statements have been prepared on a going concern basis, using the historical cost conventions and on an accrual method of accounting except for certain assets and liabilities that are required to be measured at fair value by Ind AS.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

c) Use of Estimates

In preparation of the financial statements, the Company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Significant judgements and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

d) Property, Plant and Equipment

Freehold land is carried at cost. All other items of property, plant and equipment are carried at cost, less accumulated depreciation and impairments losses.

Costs includes purchase price/acquisition cost (including import duties and non-refundable purchase taxes but after deducting trade discounts and rebates), borrowing cost (if capitalization criteria are met) and all other direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use.

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April 2018 measured as per the previous GAAP and use that carrying value as the cost of the property, plant and equipment.

e) Investment Properties

An Investment Property is accounted for in accordance with cost model.

f) Intangible Assets

Intangible Assets are stated at cost less accumulated amortization and impairment loss, if any. Intangible assets are amortized on straight line method basis over the estimated useful life on pro rata basis.

g) Depreciation

Depreciation is calculated on the cost of property, plant and equipment less their residual value using Straight Line

Notes to Financial Statements for the year ended 31st March, 2024

Method over the estimated useful life prescribed in Schedule II of the Companies Act, 2013. Depreciation on additions to or on disposal of assets is calculated on pro-rata basis.

h) Derecognition of property, plant and equipment and intangible assets

An item of property, plant and equipment/intangible assets is derecognised upon disposal and any gain or loss on disposal is determined as the difference between the sale proceeds and the carrying amount and is recognised in the Statement of Profit and Loss. The cost and the related accumulated depreciation are eliminated upon disposal of the asset.

i) Impairment of property, plant and equipment and intangible assets

An item of property, plant and equipment/intangible assets is treated as impaired when the carrying value of the assets exceeds its recoverable value, being higher of the fair value less cost to sell and the value in use. An impairment loss is recognized as an expense in the Profit and Loss Account in the year in which an asset is impaired. The impairment loss recognized in prior accounting period is reversed if there has been an improvement in recoverable amount.

j) Inventories

Financial Instruments held as inventory are measured at fair value through profit or loss.

k) "Classification of Assets and Liabilities as Current and Non Current Non-Current"

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is expected to be realised or intended to be sold or consumed in normal operating cycle, held primarily for the purpose of trading, expected to be realised within twelve months after the reporting period, or Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

An liability is treated as current when, It is expected to be settled in normal operating cycle, It is held primarily for the purpose of trading, It is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of the assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

I) Financial Instruments

(i) Initial recognition and measurement

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are subsequently measured at fair value through profit or loss are recognised immediately in the statement of profit or loss.

(ii) Subsequent measurement

A. Financial Assets

Financial assets are classified into the specified categories:

a) Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement at fair value, the financial assets are measured at amortised cost using the effective interest rate (EIR) method, less impairment. Amortised cost is calculated by taking into account any discount or premiums on acquisition and fees or costs that are an integral part of the EIR.

b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by bothcollecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

_____ Notes to Financial Statements for the year ended 31st March, 2024

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL. However, if the company,s management has made an irrevocable election to present the equity investments at fair value through other comprehensive income then there is no subsequent reclassification of fair value gains or losses to the statement of profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

B. Financial Liabilities

After initial measurement at fair value, the financial liabilities are subsequently measured at amortised cost using the effective interest rate (EIR) method where the time value of money is significant, except for financial liabilities at fair value through profit or loss. Amortised cost is calculated by taking into account any discount or premiums on acquisition and fees or costs that are an integral part of the EIR.

(iii)Impairment of financial assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income.

- For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to lifetime expected credit losses is recognised if the credit risk has significantly increased since initial recognition.
- The company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity oprates or any other appropriate basis.

(iv) Derecognition of Financial Instruments

- The company derecognises a financial assets only when the contractual rights to the cash flows from the assets expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.
- The company derecognises a financial liabilities only when the company's obligations are discharged, cancelled or they expire.

m) Revenue Recognition

- Revenue is measured at the fair value of the consideration received or receivable, net of returns, trade allowances, rebates and amounts collected on behalf of the third parties.
- Revenue from the sale of goods is recognised when significant risks and rewards of ownership have been transferred to the buyer and the amount of revenue can be reliably measured and recovery of the consideration is probable.
- Insurance Claims are accounted for on receipt basis or as acknowledged by the appropriate authorities.
- Interest income is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is recorded using effective interest rate.
- Interest income is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is recorded using effective interest rate.
- Dividend Income is recognised when the right to receive payment is established.

n) Employee Benefits

(i)Gratuity Liability has been provided on the basis of acturial valuation. The company does not contributes to any fund for gratuity for its employees. The cost of providing benefits is determined on the basis of actuarial valuation at each year end using projected unit credit method. Actuarial gain and losses is recognized in the period in which they occur in other comprehensive income. The current service cost and net interest on the net defined benefit liability/(asset) is treated as an expense and is recognised in the statement of profit or loss.

0) Foreign Currency Transactions

- The financial statements of the Company are presented in Indian rupees (`), which is the functional currency of the Company and the presentation currency for the financial statements.

Notes to Financial Statements for the year ended 31st March, 2024

rates prevailing at the end of the reporting period. Exchange differences arising either on settlement or on translation is recognized in the Statement of Profit and Loss except in cases where they relate to acquisition of fixed assets in which case they are adjusted to the carrying cost of such assets.

The premium or discount arising at the inception of forward exchange contract is amortized and recognized as an expenses / income over the life of the contract.

p) Income Taxes

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amount used for taxation purpose (tax base), at the tax rates and law that are enacted or substantively enected as on the balance sheet date.

q) Provisions, Contingent Assets and Contingent Liabilities

A provision is recognized when there is a present obligation as a result of past event, that probably requires an outflow of resources and a reliable estmate can be made to settle the amount of obligation. These are reviewed at each year end and adjusted to reflect the best current estmates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liabilities are not recognised but disclosed in the financial statements.

Contingent assets are neither recognised nor disclosed. However, when realisation of income is virtually certain, related asset is recognised.

r) Earnings Per Share

Basic and Diluted Earnings per shares are calculated by dividing the net profit for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

s) Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

t) Operating Segment

Operating Segments are reported in a manner consistent with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole. The analysis of geographical segments is based on the areas in which customers of the company are located.

u) Non-current assets held for sale

Non-current assets and disposal groups classified as held for sale are measured at the lower of their carrying value and fair value less costs to sell.

Assets and disposal groups are classified as held for sale if their carrying value will be recovered through a sale transaction rather than through continuing use. This condition is only met when the sale is highly probable and the asset, or disposal group, is available for immediate sale in its present condition and is marketed for sale at a price that is reasonable in relation to its current fair value. The Company must also be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

(c) Fair Value Measurement and Fair Value Hierarchy

Fair Value of the financial instruments is classified in various fair value hierarchies based on the following three levels: Level 1: Quoted prices (unadjusted) in active market for identical assets or liabilities.

Level 2: Inputs other than quoted price included within level 1 that are observable for the asset or liability, either directly

(i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using market approach and valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2. Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparty.

The fair value of other current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

The following table presents the fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

			(Amount in 1000)
Particulars	Fair Value	AS AT	AS AT
	Hierarchy	31st March, 2024	31st March, 2023
Financial Assets			
Measured at Fair Value through Profit or Loss			
Mutual Funds	1	362834	304269
Measured at Cost			
Quoted Equity Shares	1	-	-
Unquoted Equity Shares	3	438	438

"The management assessed that loans, cash and cash equivalents, trade receivables, borrowings, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments."

(d) Financial Risk Management

The Company's fiancial liabilities comprise trade and other liabilities. The main purpose of these fiancial liabilities is to fiance the Company's operations. The Company's fiancial assets include trade and other receivables, cash and cash equivalents.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a fiancial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency risk and other price risk, such as commodity price risk and equity price risk. Financial instruments affected by market risk include trade payables, trade receivables, etc.

(b) <u>Credit Risk</u>

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, loans, cash and cash equivalents, bank deposits and other financial assets.

The carrying amount of financial assets represents the maximum credit exposure.

(c) Liquidity Risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBER OF GANODAYA FINLEASE LIMITED Report on the audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind As financial statements of **Ganodaya Finlease Limited** (hereinafter referred to as the 'Holding Company') and its associate (collectively referred to as "the Group"),, which comprise the consolidated Balance Sheet as at March 31, 2024, and the consolidated statement of Profit and Loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated Ind As financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the associates, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2024, the consolidated profit, consolidated total comprehensive income, consolidated statement of changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholder Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other

(67)

information; we are required to report that fact. We have nothing to report in this regard. _________ <u>Responsibilities of Management and those charged with governance for the consolidated financial</u> <u>statements</u>

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated change of equity of the Group including its Associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act read with Companies (Indian Accounting Standard) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and of its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the consolidated Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

A further description of the auditor's responsibilities for the audit of the consolidated Ind AS financial statements is included in Annexure A. This description forms part of our auditor's report.

Other Matters

Responsibilities for Audit of Consolidated Ind AS Financial Statement

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that

	(71)	
1		

were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended 31st March, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/S GANODAYA FINLEASE LIMITED** ("the Holding Company") and its associate (collectively referred to as "the Group"), as of 31 March 2024 in conjunction with our audit of the Consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Company and its associate companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting with reference to these consolidated financial statement based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted

accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its associate companies have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(I) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to two associate company, which is a company incorporated in India, is based on the corresponding report of the auditor of such company.

Consolidated Notes to Financial Statements for the year ended 31st March, 2024

<u>NOTE - 1</u>

CORPORATE INFORMATION

Ganodaya Finlease Limited ('the Company") is registered as Non-Banking Financial Company under Section 45-IA of the Reserve Bank of India Act, 1934. The company is primarily engaged in the business of Investment in Mutual Funds and shares. The Company is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act, 2013. Its shares are listed in a recognised stock exchanges in India. The registered office of the company is located in 402, Mangalam, 24/26, Hemanta Basu Sarani, Kolkata - 700001.

SIGNIFICANT ACCOUNTING POLICIES

a) Statement of Compliance

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013, (the 'Act') and other relevant provisions of the Act with effect from 1st April, 2018.

Upto the year ended 31st March, 2018, the financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP), which includes accounting standards notified under Rule 7 of the Companies (Accounts) Rules, 2014. The date of transition to Ind AS is 1st April, 2018.

b) Basis of Preparation of Financial Statements

These financial statements have been prepared on a going concern basis, using the historical cost conventions and on an accrual method of accounting except for certain assets and liabilities that are required to be measured at fair value by Ind AS.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act

c) Use of Estimates

In preparation of the financial statements, the Company makes judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

Significant judgements and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

d) Property, Plant and Equipment

Freehold land is carried at cost. All other items of property, plant and equipment are carried at cost, less accumulated depreciation and impairments losses.

Costs includes purchase price/acquisition cost (including import duties and non-refundable purchase taxes but after deducting trade discounts and rebates), borrowing cost (if capitalization criteria are met) and all other direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use.

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April 2018 measured as per the previous GAAP and use that carrying value as the cost of the property, plant and equipment.

e) Investment Properties

An Investment Property is accounted for in accordance with cost model.

f) Intangible Assets

Intangible Assets are stated at cost less accumulated amortization and impairment loss, if any. Intangible assets are amortized on straight line method basis over the estimated useful life on pro rata basis.

g) Depreciation

Depreciation is calculated on the cost of property, plant and equipment less their residual value using Straight Line Method over the estimated useful life prescribed in Schedule II of the Companies Act, 2013. Depreciation on additions to or on disposal of assets is calculated on pro-rata basis.

h) Derecognition of property, plant and equipment and intangible assets

An item of property, plant and equipment/intangible assets is derecognised upon disposal and any gain or loss on disposal is

Consolidated Notes to Financial Statements for the year ended 31st March, 2024

determined as the difference between the sale proceeds and the carrying amount and is recognised in the Statement of Profit and Loss. The cost and the related accumulated depreciation are eliminated upon disposal of the asset.

i)Impairment of property, plant and equipment and intangible assets

- An item of property, plant and equipment/intangible assets is treated as impaired when the carrying value of the assets exceeds its recoverable value, being higher of the fair value less cost to sell and the value in use. An impairment loss is recognized as an expense in the Profit and Loss Account in the year in which an asset is impaired. The impairment loss
- recognized in prior accounting period is reversed if there has been an improvement in recoverable amount.

j) <u>Inventories</u>

Financial Instruments held as inventory are measured at fair value through profit or loss.

k) "Classification of Assets and Liabilities as Current and Non Current Non-Current"

- The Company presents assets and liabilities in the balance sheet based on current/non-current classification.
- An asset is treated as current when it is expected to be realised or intended to be sold or consumed in normal operating cycle, held primarily for the purpose of trading, expected to be realised within twelve months after the reporting period, or Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.
- An liability is treated as current when, It is expected to be settled in normal operating cycle, It is held primarily for the purpose of trading, It is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.
- The operating cycle is the time between the acquisition of the assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

I) Financial Instruments

(i)Initial recognition and measurement

- Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities that are subsequently measured at fair value through profit or loss are recognised
- immediately in the statement of profit or loss.

(ii)Subsequent measurement

A.Financial Assets

- Financial assets are classified into the specified categories:
- a)Financial assets carried at amortised cost (AC)
- A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- After initial measurement at fair value, the financial assets are measured at amortised cost using the effective interest rate (EIR) method, less impairment. Amortised cost is calculated by taking into account any discount or premiums on acquisition and fees or costs that are an integral part of the EIR.
- b)Financial assets at fair value through other comprehensive income (FVTOCI)
- A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified
- dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- c)Financial assets at fair value through profit or loss (FVTPL)
- A financial asset which is not classified in any of the above categories are measured at FVTPL. However, if the company,s management has made an irrevocable election to present the equity investments at fair value through other comprehensive income then there is no subsequent reclassification of fair value gains or losses to the statement of profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to
- receive payments is established.

B.Financial Liabilities

After initial measurement at fair value, the financial liabilities are subsequently measured at amortised cost using the

(80)

Consolidated Notes to Financial Statements for the year ended 31st March, 2024

effective interest rate (EIR) method where the time value of money is significant, except for financial liabilities at fair value through profit or loss. Amortised cost is calculated by taking into account any discount or premiums on acquisition and fees or costs that are an integral part of the EIR.

(iii)Impairment of financial assets

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income.

For financial assets whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised. Loss allowance equal to lifetime expected credit losses is recognised if the credit risk has significantly increased since initial recognition.

The company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity oprates or any other appropriate basis.

(iv)Derecognition of Financial Instruments

The company derecognises a financial assets only when the contractual rights to the cash flows from the assets expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

The company derecognises a financial liabilities only when the company's obligations are discharged, cancelled or they expire.

m) Revenue Recognition

q) Provisions, Contingent Assets and Contingent Liabilities

A provision is recognized when there is a present obligation as a result of past event, that probably requires an outflow of resources and a reliable estmate can be made to settle the amount of obligation. These are reviewed at each year end and adjusted to reflect the best current estmates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liabilities are not recognised but disclosed in the financial statements.

Contingent assets are neither recognised nor disclosed. However, when realisation of income is virtually certain, related asset is recognised.

r) Earnings Per Share

Basic and Diluted Earnings per shares are calculated by dividing the net profit for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

s) Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

t) Operating Segment

Operating Segments are reported in a manner consistent with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole. The analysis of geographical segments is based on the areas in which customers of the company are located.

u) Non-current assets held for sale

Non-current assets and disposal groups classified as held for sale are measured at the lower of their carrying value and fair value less costs to sell.

Assets and disposal groups are classified as held for sale if their carrying value will be recovered through a sale transaction rather than through continuing use. This condition is only met when the sale is highly probable and the asset, or disposal

group, is available for immediate sale in its present condition and is marketed for sale at a price that is reasonable in

relation to its current fair value. The Company must also be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

v) Principals of Consolidation

The Consolidated Financial Statements consist of Ganodaya Finlease Ltd ("the Company") and its Associates companies (collectively referred to as "the Group"). The Consolidated Financial Statements have been prepared on the following basis:

 i) Investment in associates where the Company directly or indirectly holds more than 20% of equity, are accounted for using equity method as per Ind As 110 – Accounting for Investments in Associates in Consolidated Financial Statements . The financial statements of the associates used in the consolidation are drawn up to the same reporting date as that of the Company i.e. 31st March, 2024.

ii) The difference between the cost of investment in the associates and the Group's share of net assets at the time of acquisition of share in the associates is identified in the financial statements as Goodwill or Capital Reserve as the case may be.

iii) The Group accounts for its share of post acquisition changes in net assets of associates, through its Consolidated Statement of Profit and Loss, to the extent such change is attributable to the associates' Statement of Profit and Loss and through its reserves for the balance based on available information.

iv) Name of the Associates and their percentage shareholding

EMPLOYEE BENEFITS

A. The defined benefit plans expose the company to a number of actuarial risks such as : Investment Risk, Interest Risk, Longevity Risk and Salary Risk Longevity Risk : The present value of the defined benefit liability is calculated by reference to the best estimate of the mortality of participants both during and after their employment. An increase in the life expectancy of the participants will increase the liability.

Salary Risk : The present value of the defined benefit liability is calculated by reference to future salaries of participants. As such, an increase in the salary of the participants will increase the liability.

B. Details of Plans are as follows:

Other Financial Liabilities	1,046.17	1,046.17	933.59	933.59		

(c) Fair Value Measurement and Fair Value Hierarchy

Fair Value of the financial instruments is classified in various fair value hierarchies based on the following three levels: Level 1: Quoted prices (unadjusted) in active market for identical assets or liabilities.

Level 2: Inputs other than quoted price included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using market approach and valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2. Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparty.

The fair value of other current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient, or if there is a wide range of possible fair value measurements, cost has been considered as the best estimate of fair value.

The following table presents the fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

Particulars	Fair Value	AS AT	(Amount in 1000) AS AT
Faiticulais	Hierarchy	31st March, 2024	31st March, 2023
Financial Assets			
Measured at Fair Value through Profit or Loss			
Mutual Funds	1	362834	304269
Measured at Fair Value through Other			
Comprehensive Income			
Quoted Equity Shares	1	-	-
Unquoted Equity Shares	3	438	438

"The management assessed that loans, cash and cash equivalents, trade receivables, borrowings, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments."

(d) Financial Risk Management

The Company's fiancial liabilities comprise trade and other liabilities. The main purpose of these fiancial liabilities is to fiance the Company's operations. The Company's fiancial assets include trade and other receivables, cash and cash equivalents.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a fiancial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency risk and other price risk, such as commodity price risk and equity price risk. Financial instruments affected by market risk include trade payables, trade receivables, etc.

(b) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, loans, cash and cash equivalents, bank deposits and other financial assets.

The carrying amount of financial assets represents the maximum credit exposure.

(c) Liquidity Risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
